#### **INTRODUCTION:**

#### 1.1 Audience

# Structural Set up of Ministry of Housing and Urban Poverty Alleviation:

The Ministry of Housing and Urban Poverty Alleviation is the apex authority of Government of India at the national level to formulate policies, sponsor and support programme, coordinate the activities of various Central Ministries, State Governments and other nodal authorities and monitor the programmes concerning all the issues of urban employment, poverty and housing in the country.

The Ministry was constituted on 13th May, 1952 when it was known as the Ministry of Works, Housing & Supply. Subsequently it was renamed as Ministry of Works & Housing when a separate Ministry of Supplies came up. The name of the Ministry was changed to Ministry of Urban Development in September, 1985 in recognition of the importance of urban issues. With the creation of a separate Department of Urban Employment & Poverty Alleviation on 8th March, 1995, the Ministry came to be known as the Ministry of Urban Affairs & Employment. The Ministry had two Departments: Department of Urban Development & Department of Urban Employment & Poverty Alleviation. The two Departments were again merged on 9th April, 1999 and in consequence thereto, the name has also been restored to "The Ministry of Urban Development". This Ministry was bifurcated into two Ministries viz. (i) "Ministry of Urban Development" and (ii) "Ministry of Urban Employment and Poverty Alleviation" with effect from 16.10.1999. These two Ministries were again merged into one Ministry on 27.5.2000 and named as "Ministry of Urban Development and Poverty Alleviation" with two Departments. They are (i) Department of Urban Development and (ii) Department of Urban Employment and Poverty Alleviation.

From 27-5-2004, the Ministry has again been bifurcated into two ministries viz: (i) Ministry of Urban Development; and (ii) Ministry of Urban Employment and Poverty Alleviation (Now Known as Ministry of Housing and Urban Poverty Alleviation).

The Ministry of Housing and Urban Poverty Alleviation is headed by Shri M. Venkaiah Naidu, Minister of Housing and Urban Poverty Alleviation. The Hon'ble Minister joined on 28-05-2014.

Ms. Nandita Chatterjee is the Secretary of the Ministry of Housing and Urban Poverty Alleviation (HUPA). She is assisted by three Joint Secretaries.

#### **PMAY Scheme of objective :**

According to current estimates, the urban population of the country, which has already seen a sharp increase over the past decade, is set to see a phenomenal growth in the years to come. By the year 2050, the country's urban population is set to reach a population of more than 814 million people. This is an increase of about 400 million from current levels. One of the biggest challenges faced by the country will be providing affordable housing, sanitation and development, and a safe environment to the city dwellers.

While the Pradhan Mantri Awas Yojana is clear about its goals – affordable housing for all by 2022, it does ensure that the benefits of the scheme are enjoyed by women, economically backward groups of Indian society and the Scheduled Castes and Scheduled Tribes. In an unprecedented move, the government has decided to protect the interests of neglected groups in the country. Transgender and widows, members of the lower income groups and urban poor, and the Scheduled Castes and Scheduled Tribes shall be granted preference when they try to avail the affordable housing scheme. Apart from these groups members of society who often find themselves out of a home, seniors and differently-abled people shall also gain preference in allotment of houses. They shall also be able to choose a ground-floor house if need be. Apart from this, it is also mandatory that while registering to avail the benefits of the scheme, the beneficiaries must necessarily mention their mother or wife's name. According to news reports, these details were revealed by a Housing and Urban Poverty Alleviation Ministry official before the launch of the scheme

The Project is aimed for urban areas with following components/options to States/Union Territories and cities:-

- 1. Slum rehabilitation of Slum Dwellers with participation of private developers using land as a resource;
- 2. Promotion of affordable housing for weaker section through credit linked subsidy;
- 3. Affordable housing in partnership with Public & Private sectors and
- 4. Subsidy for beneficiary-led individual house construction or enhancement.

#### Feature of Pradhan Mantra Awas Yojana scheme:

- 1. Interest subsidy of 6.5 percent on housing loan will be provided for 15 years to the beneficiaries.
- 2. Older and Differently abled persons will be given preference in the allotment of ground floors under the Pradhan Mantri Awas Yojana scheme.
- 3. Eco friendly and sustainable technologies will be used during the construction process.

The scheme will cover entire urban area consisting of 4041 statutory towns with initial focus on 500 Class I cities in three phases. Credit linked subsidy component of the scheme would be implemented across the country in all statutory towns right from the beginning.

#### 1.2 Purpose

#### Purpose of the document

Project Documentation is an important part of project management. It is substantiated by the essential two functions of documentation i.e. to make sure that the project requirements are fulfilled and to establish traceability with regard to what has been done, who has done it and when it was done. Thus documentation must make up the foundation for quality, traceability and history both for the individual document and for the entire project documentation.

#### The purpose of this document i.e. User Manual, are:

- To provide operating instructions related to the PMAY MIS;
- To provide information about the PMAY MIS and problem reporting mechanism;
- To provide PMAY MIS features along with handling and installation instructions;
- To provide information such as error codes, glossary, and any other item this may be useful to the users: and
- To provide the interface between the system and the users so that users have a proper deal of the working.

### > Purpose of the Software

To develop a state-of-the-art fully computerized Management Information System on PMAY Scheme of the Ministry. The e-unit in PMAY will be up-linked to state Governments Departments, Central Governments Departments etc.

PMAY MIS has been developed to monitor all components of PMAY. In the PMAY MIS there are different stakeholders namely NMMU, ALD, ULB, etc.

All the stakeholders have to play different roles in the PMAY MIS. This MIS captures online data from all the stakeholders. This MIS is available 24 X 7 to all the stakeholders. To obtain the status on online this PMAY MIS is developed. Due 24 X 7 and due to online availability latest information can be obtained from this MIS. This is the important tool for the senior officials to monitor the scheme effectively from their place.

Standardized Reports can be generated from this MIS. This standardized reports will reduce the work load on the stakeholders.

Data for the above said activities has to be collected from all over India. For collecting the data from all over India it is very much needed to develop web enabled software / System under Windows environment, which would be more Versatile, simple & User friendly.

#### 1.3 Organization Documentation

Document is organized Section and subsections. Each subsection is further divided if needed. Details are given for every part with needed images. At the last of the document appendix is given in which all reports are listed in reference to the description given in manual. Further the stage lists necessary for user is also given.

#### 1.4 Conventions

#### > <u>Technical Terms</u>

The following explanations are not exact definitions and are meant for this manual only.

**1. A&OE** : Administrative and Other Expenses

**2.** AHP : Affordable Housing in Partnership

**3.** AIP : Annual Implementation Plan

**4. CLS** : Credit linked subsidy

5. CAN : Central Nodal Agencies

**6. CSMC** : Central Sanctioning and Monitoring Committee

**7. DPR** : Detailed Project Report

**8. HFA** : Housing for All

9. HFAPoA: Housing for All Plan of Action

10. LIG : Lower Income Group
11. MIG : Middle Income Group
12. HIG : High Income Group
13. NA : Non Agricultural (NA)
14. NOC : No objection Certificate

15. SECC : Socio Economic and Caste Census16. SLAC : State Level Appraisal Committee

17. SLSMC : State Level Sanctioning and Monitoring Committee

**18. SLNA** : State Level Nodal Agencies

**19. TDR** : Transfer of Development Rights

20. ULB : Urban Local Body21. UT : Union Territory22. FSI : Floor Space Index

**National Informatics Centre** 

23. EWS

: Economically Weaker Section

24. BPL : Blow Poverty Line

25. O&M : Office and Maintenance26. GOI : Government of India

**27. AMRUT**: Atal Mission for Rejuvenation

**28. CPHEEO:** Central Public Health and Environmental Engineering Organization

29. IS : Indian Standard

**30. EMI** : Equated monthly Installment

**31. DBT** : Direct Benefit Transfer

#### 1.5 Reference

This software is made in accordance with Guidelines prepared by, MoHUPA for different components of PMAY.

#### 1.6 Problem reporting

#### > Technical Problem

For any type of problem in the software or in handling the software, first discuss it with other persons using the software. If the problem is not being solved, contact Shri M. Ezhil Arasu Technical Director. Detailed information's about the contact officers is given below.

Sr.No.	Name	Destination	E_Mail	Phone No
1.	M. Ezhil Arasu	Technical Director		
2.	Praveen Kumar	Senior Systems Analyst	pkumar2537@nic.in	

#### > Administrative Problem

For the Administrative problem / query first discuss with the respective ULB's and then state MIS Unit. If the problem is not being resolved, contact Mr. R.S Singh , Director(HFA). In case the problem is not being sorted out yet, Contact Shri. Amrit Abhijat JS(HFA), MoHUPA. Detailed information about the contact officers is given below

Sr.No.	Name	Destination	E_Mail	Phone No
1.	R.S Singh	Director(UPA),	dirhfa1-	011-
1.		НҒАРоА	mhupa@nic.in	23062279

#### 1.7 Product Feature

The present system has been developed by National Informatics Centre (NIC) and is a menu driven user friendly. "PMAY MIS' is developed using the GUI, SMS and web server technology. The present system has been developed using ASP .NET Version 4.0 as a front end and MSSQL Server-2008 as back end with Windows environment. Some of the features of the present computerization exercise are as under;

- 1. This is system is developed and got the cyber security clearance from the NIC cyber security division for the safe hosting.
- 2. This application is hosted at the NIC-IDC data center at New Delhi.
- 3. NIC Data center backup, restore facilities and the disaster recovery features with the NIC Data center is applicable to this application.
- 4. This application supports two application level functionalities (i) PMAY MIS
- 5. This System has many types of user Groups like NMMU, CSMC, PMU, Appraisal Agency, SMMU, City
- 6. Using this web-based application, authorized user can add / modify / delete data corresponding to various modules.
- 7. All the registered can view/print/download various analytical reports generated by this application.
- 8. While entering data in each module, computer generates unique record number for each module/beneficiary. National Informatics Centre User Manual Ministry of HUPA Page 15 of 339
- 9. This system is available for 24 x 7 x 365.
- 10. The entire user activities in this system are monitored.
- 11. It is possible to retrieve a deleted data at some future point of time also from archive. 1
- 12. This software is menu driven. A lot of information is stored in combo boxes from where it can be clicked & printed. The PMAY MIS as such is user friendly and less cumbersome.14. A large number of reports & information are self-generated in the pre designed tabulated formats.
- 15. Provision for the State, ULB to export their data in the XL format as well as in the PDF format.
- 16. User Manual has been prepared as per the QMS standard for the use of users and more.

# **Section 2**

#### > Handling Report

#### 2.1 Password Handling

Each user has been allotted a unique user account name along with unique password, through which he / she alone can access the information. It is advised that user has to periodically change the password to maintain confidentiality. Password should be alphanumeric with one special character and one number. Password should have minimum 8 characters. Password policy has been incorporated for the password change. User name and password should not be disclosed and not be left written. While using the password at the Internet Browsing centers, before leaving their places they should remove cookies.

# **Section 3**

#### > Installation Instructions

#### 3.1 Hardware Requirement

For the proper functioning of the software and to get quicker response, the following hardware requirements must be fulfilled at the client side: Client Machines:

Processor: Pentium core 2 Duo / Pentium dual core onwards are recommended. RAM: The system running this software should have minimum 4GB RAM as recommended,

#### 3.2 Software Requirements

Very good Internet connectivity / Broad Band Internet connectivity with Windows Operating System, IE 8.0 or more , Google Chrome ,Mozilla Firefox to access the application . Microsoft Office 2000 or higher and PDF reader are required to view / export the data. To protect from malwares and viruses Anti-Virus software should be installed on the client machine.

#### 3.3 Other Requirements

Printer should be installed on the systems where print out has to be taken. Internet connection should be fast enough to provide quick response. Scanner

should be installed on the system to scan the material in PDF/JPG format and then to upload it on to the MIS.

#### 3.4 <u>Installation Procedures</u>

Switch on the computer and switch on the internet connection. After the Internet connection is on then type <a href="http://pmaymis.gov.in">http://pmaymis.gov.in</a> in any web browser (IE, Google Chrome or Mozilla) and then press the enter button.

# **Section 4**

## > General Operating Instructions

#### 1.1 Home Page

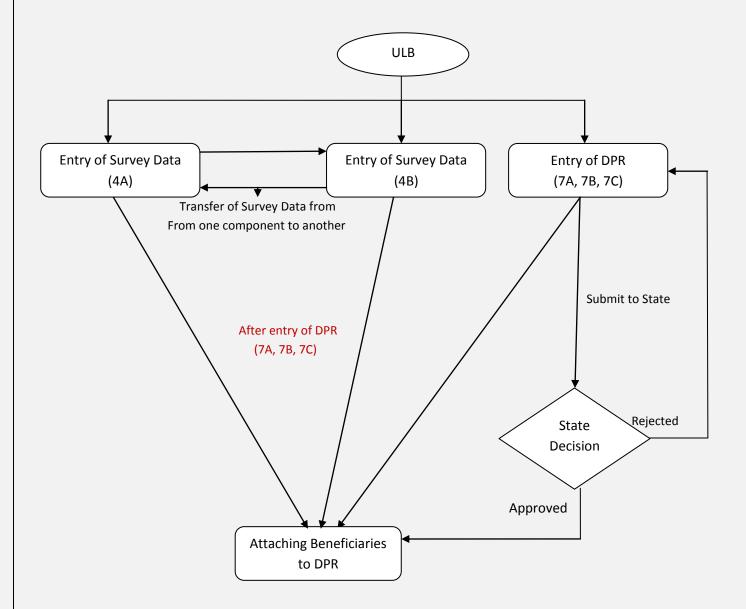

PMAY MIS Software is web-enable software. It can be accessed by typing <a href="http://pmaymis.gov.in">http://pmaymis.gov.in</a> from any internet browser. It is available for 24 X 7 X 365. If you type <a href="http://pmaymis.gov.in">http://pmaymis.gov.in</a> then the home page of the PMAY MIS will appear.

This homepage contains following links:

- 1. PMAY MIS: Click this link to display the Login page of the online PMAY-HFA(U)
- 2. What's NEW: It displays the latest events

#### 1.2 Work Flow of PMAY MIS

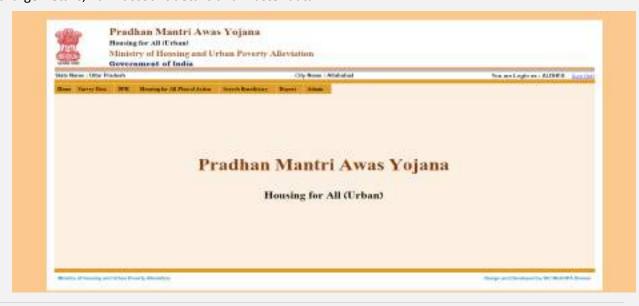

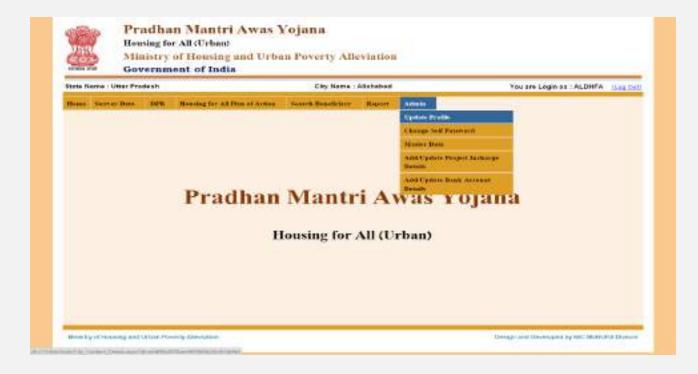

# **City login**

After entering the "User name", "Password" and "Enter the Captcha", press the "Login" button to login. If all the user credentials are ok then this screen appears otherwise you will get the error message.

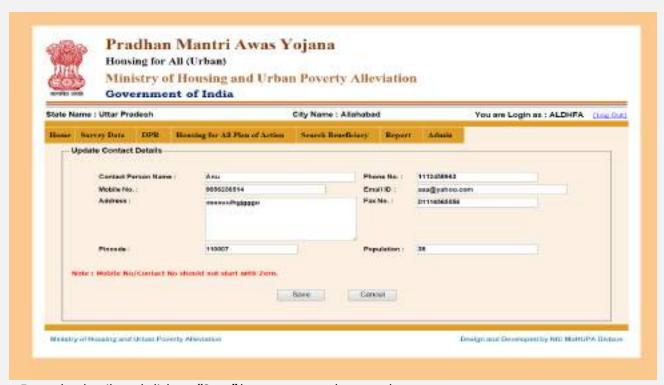

After successful login firstly you have to work on Admin menu section to update your Profile, Project Incharge Details, Bank account details and Master data.

**1.1 Update Profile:** By selecting this option, this screen will appear; here you can update your profile like Mobile No., Email ID, and Contact Person Name etc.

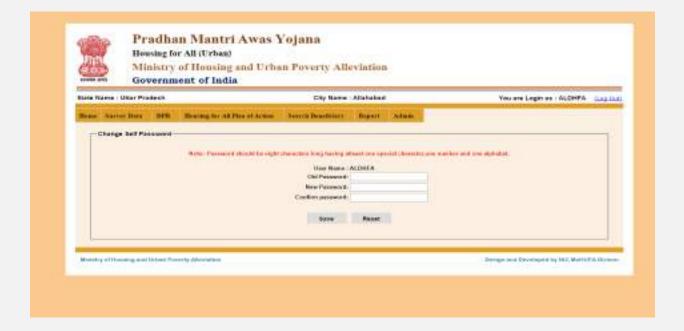

Enter the details and click on "Save" button to save the record.

**1.2 Change Self Password:** By selecting this option you can change your login password.

If you select this option then this screen will appear.

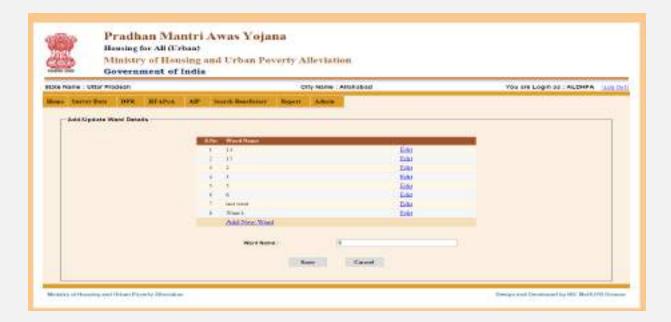

Enter the Old Password, New Password and Confirm Password then click on save button to change your password. New password should contain minimum 8 characters having minimum one special character and one number.

- **1.3 Master Data:** In the master data you can add/update the ward details, slum details, Implementing agency master details and bank and branch details.
  - 1. Add/Update Ward Details: By selecting this option you can add the Ward Master data.

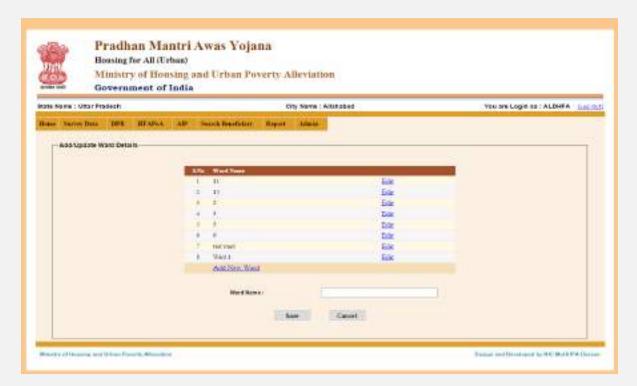

If you select this option then this screen appears.

If you want to Add New Ward then click on "Add New Ward" link and if you want to edit the entered Ward details click on "Edit" link. If you click on "Add New Ward" then this screen appears

Enter the ward name or Number and click on "Save" button to save the record. You can make any modification in the ward name by selecting the "Edit" Link

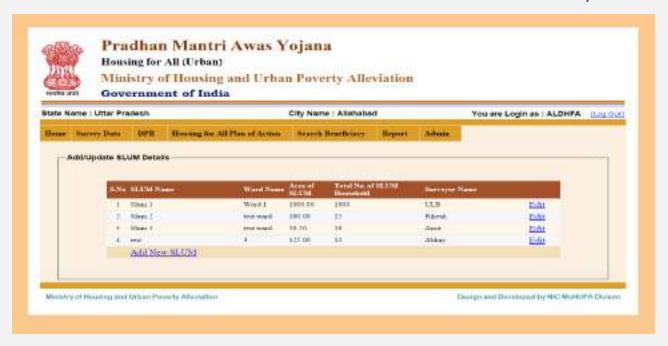

**2.** Add/Update Slum Details: By selecting this option you can add/update the Slum Master data.

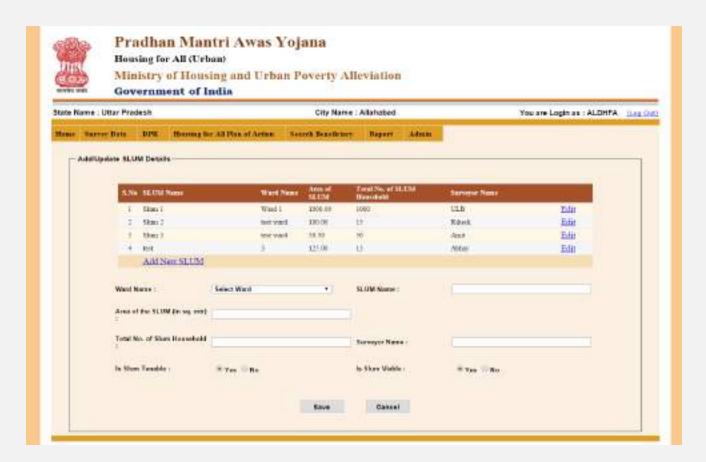

If you select this option then this screen appears.

**Ministry of HUPA** 

If you want to Add New Slum then click on "Add New Slum" link and if you want to edit the Slum Details click on "Edit" link. If you click on "Add New Slum" then this screen appears. Enter the details and click on "Save" button to save the record.

3. Add/Update area details: By selecting this option you can add/update area details.

If select this option then this screen is appears.

If you want to Add New area then click on "Add New Area" link and if you want to edit the Area Details click on "Edit" link. If you click on "Add New Area" then this screen appears.

Enter the details and click on "Save" button to save the record

**4.** Add/Update Implementing Agency Master Details: By selecting this option you can add the Implementing Agency Master data.

If you select this option then this screen appears.

If you want to Add New Implementing Agency Details then click on "Add New" link and if you want to edit the Slum Details click on "Edit" link. If you click on "Add New" then this screen appears.

Enter the details and click on "Save" button to save the record.

**1.3 Add/Update Bank Branch Details:** By selecting this option you can add the Bank branch Master data.

If you select this option then this screen appears.

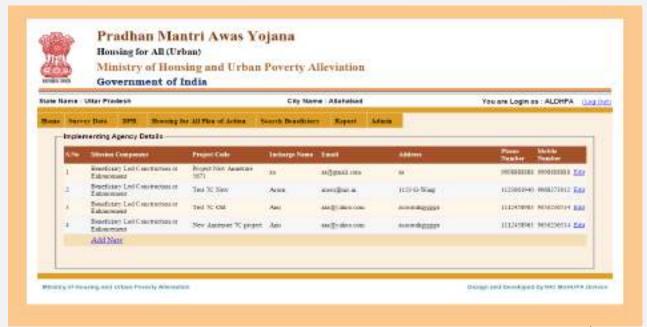

If you want to Add New Bank Branch Details then click on "Add New" link and if you want to edit the Bank Branch Details click on "Edit" link. If you click on "Add New" then this screen appears.

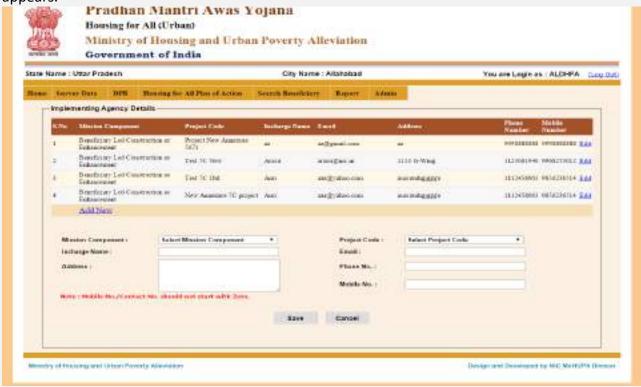

Enter the details and click on "Save" button to save the record.

**1.4 Add/Update Project In charge Details:** By selecting this option you can update Project In-charge Details like Project code, In-charge Name, Mobile No., Email ID, and Address etc.

If you select this option then this screen appears

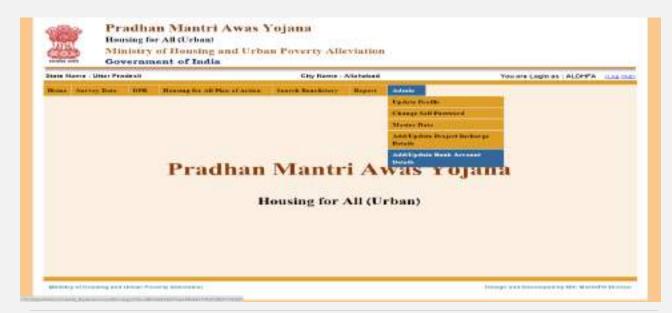

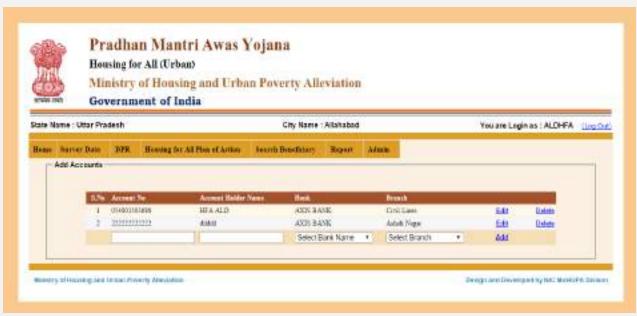

If you want to Add Project In charge Details then click on "Add New" link and if you want to edit the Project In charge Details click on "Edit" link. If you click on "Add New" then this screen appears.

Enter the details and click on "Save" button to save the record.

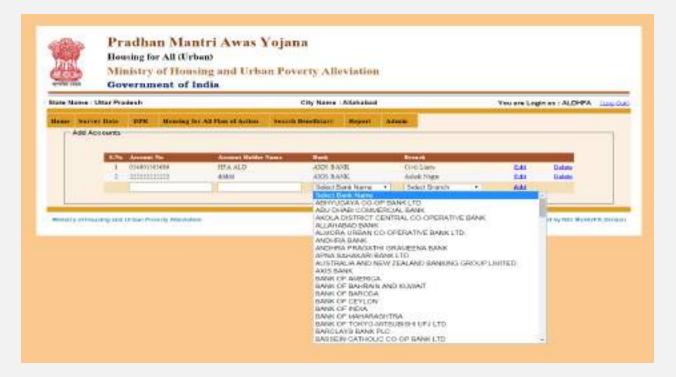

**1.5 Add/Update Bank Account Details:** By selecting this option you can update the Bank Account Details of the city like Account No, Account Holder Name, Bank Name, Branch Name etc. If you select this option then this screen appears.

If you select this option then this screen appears

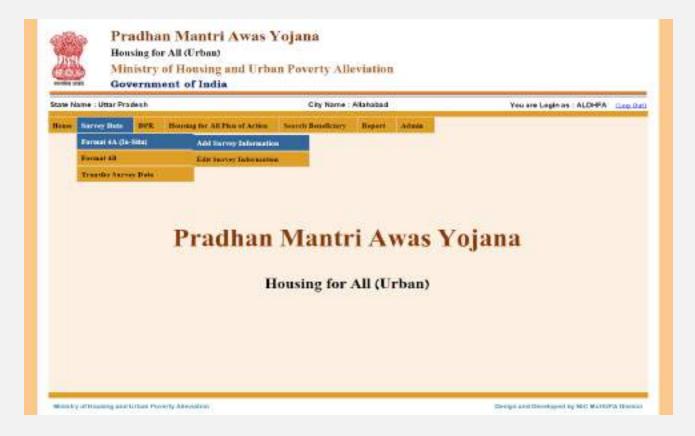

If you want to Add New Bank Account Details then click on "Add" link and if you want to edit the Bank Account Details click on "Edit" link. And if you want to Delete any Record then click on "Delete" If you click on "Add" then this screen appears.

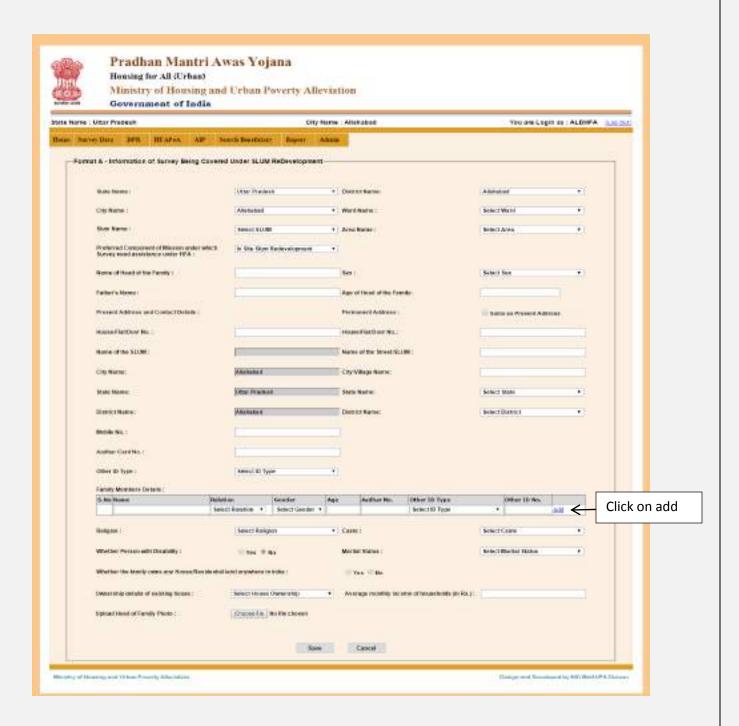

Enter the details and Select the Bank Name and Select Bank Branch Then click on "Add" link button to save the record.

#### 1.1Survey Data:

➤ Format 4 A: Add Survey Information: By selecting this option you can Add Survey Information of 'In-Situ Slum Redevelopment' component data. If you select this option then this screen appears.

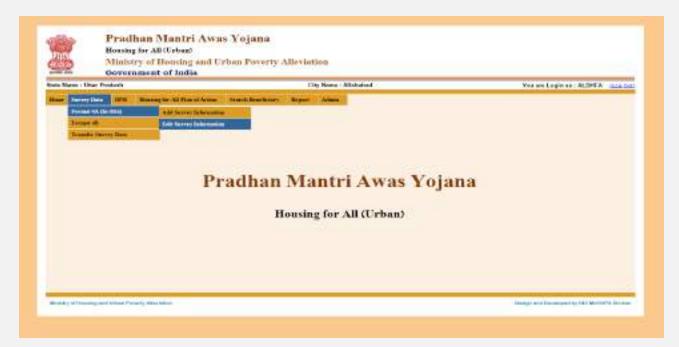

If you select this option then this screen appears. Fill all details in the form like State name, city name, SLUM Name, District name, Ward Name, Name of the family head, Father, Address, monthly income, photo, Aadhar card no other id type details and family members details etc. If you want to add the family member's details enter the details of family member in Family Members Details Table and press the "Add" button to add one by one Family Member. When all details are filled in correctly then click on submit button. When you click on submit button survey information details will be saved and message will be displayed "survey code".

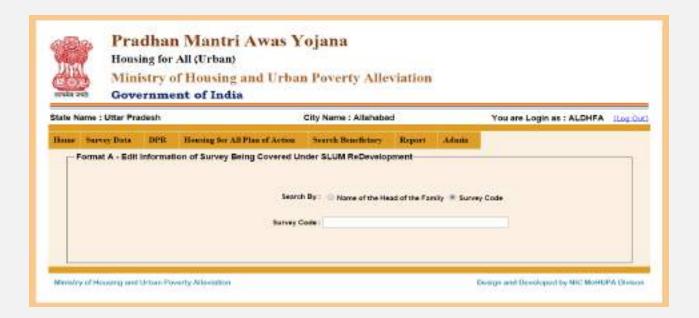

Enter the All details and click on "Save" button to save the record.

Format 4A: Edit Survey Information: By selecting this option you can edit the details of previously entered Survey Information of 'In-Situ Slum Redevelopment' component data.

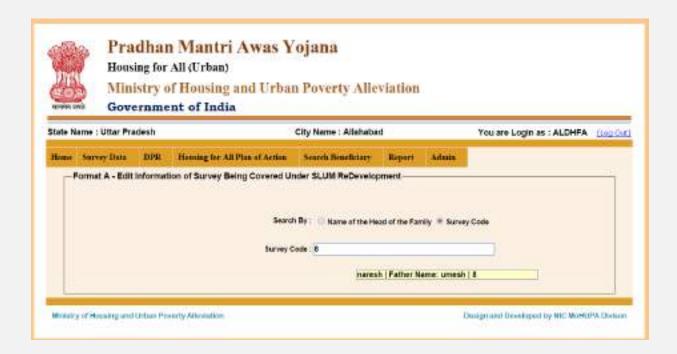

If you select this option then this screen appears. Select the Option 'Name of the Head of the Family'.

If You Select option Survey Code Then this screen appears.

Select the radio button to search the applicant by name of the head of the family or by survey code then enter the Name of the head of the family (minimum three characters) or survey code in the text box then list of name along with their code is displayed according to the character enter in textbox. Then select the name which you want to edit.

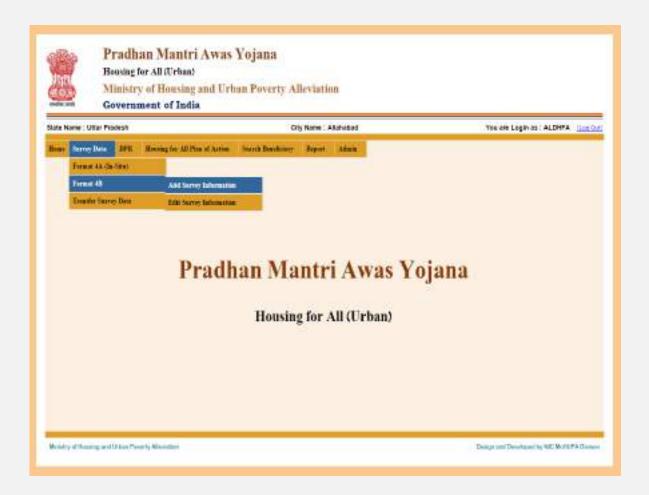

After selection of the name this screen appears
